Basic Information

- Place of Origin: china tianjin
- Brand Name: scaffolding coupler
- Model Number: BM201
- Minimum Order Quantity: 1000
- Price: 4.5
- Delivery Time: 15-25

Product Specification

- Name: Scaffolding Coupler
- Surface Treatment: Galvanized
- Standard: EN74-1
- Color: Silver
- Type: Right Angle
- Feature: High Strength
- Package: Container
- Application: Construction
- Highlight: **Right Angle Scaffolding Coupler, Scaffolding Drop Forged Couplers, Drop Forged Scaffolding Coupler**

Right Angle Scaffolding Coupler For Drop Forged Couplers And Durability

Product Description:

Scaffolding Coupler is a high strength building fastener made of galvanized metal, which is built for the construction industry in accordance with EN74-1 standard. It is used to connect tube and coupler scaffold, and usually comes in container packages. The MOQ is 1000 pieces, making it a great choice for large projects. It is also designed to be corrosion-resistant, ensuring a long service life and providing a safe working environment for builders. With its high strength and easy installation, Scaffolding Coupler is an ideal choice for any kind of construction project.

Features:

Product Name: Scaffolding Coupler

Standard: EN74-1

Material: Steel

Surface Treatment: Galvanized

Package: Container

Color: Silver

Building fasteners: Yes

Scaffolding Putlog Coupler: Yes

Fixed fasteners: Yes

Technical Parameters:

Name	Scaffolding Coupler
Feature	High Strength
MOQ	1000
Application	Construction
Surface Treatment	Galvanized
Standard	EN74-1
Material	Steel
Type	Right Angle
Package	Container
Color	Silver

Applications:

Scaffolding Coupler - BM201

The high-quality **scaffolding joint coupler** BM201 is the perfect solution for any construction project. Manufactured with **scaffolding double coupler**, this product is designed to meet the highest standards of EN74-1. It is made of steel and comes with a galvanized surface finish to ensure maximum durability and longevity.

The BM201 **scaffolding coupler manufacturer** is produced in the Tianjin of China and has a minimum order quantity of 1000. You can purchase the coupler for an alluring price of 4.5. The delivery time for this product is 15-25 business days.

This right angle coupler is an ideal choice for any scaffolding needs. You can rely on it to ensure safety and security for all your scaffolding projects.
