### Product Description:

Frame System Scaffolding - Your Ultimate Solution for Safe and Efficient Construction

#### Introduction

Frame System Scaffolding is a versatile and cost-effective solution for all your construction needs. Made from high-quality Q235 material, our scaffolding is known for its durability, strength, and safety. It is suitable for a variety of construction projects, from small renovations to large-scale constructions.

#### Material

Our scaffolding is made from high-grade Q235 steel, which is known for its strength and durability. This material is carefully selected to withstand heavy loads and provide a stable and secure platform for construction workers.

#### Color

We offer our scaffolding in two color options - steel and spray plastic. The steel color gives a classic and industrial look, while the spray plastic color adds a modern touch. Both options are resistant to rust and corrosion, ensuring a long-lasting and visually appealing product.

#### Arrival Time

Our scaffolding is available for delivery within 10-15 days after the order is placed. We understand the importance of timely delivery in construction projects and strive to meet our customers' deadlines.

#### Size

We offer customized sizes for our scaffolding to meet the specific requirements of your construction project. Our team will work closely with you to determine the best size for your needs, ensuring maximum efficiency and safety.

#### Shipping Origin

All our scaffolding products are manufactured and shipped from China, ensuring high-quality and affordable prices. Our strategically located factories and efficient shipping methods enable us to deliver our products to customers worldwide in a timely and cost-effective manner.

### Technical Parameters:

Attribute	Value
Product Name	Frame System Scaffolding
Material	Q235
Arrival Time	10-15
Size	Customized
Load Capacity	High
Color	Steel/Spray Plastic
Shipping Origin	China
Key Features	H frame, Portal Frame Scaffold Erection, Portal Frame Shoring System

### Customization:

Bythai BM205 Frame System Scaffolding Customization Service

Brand Name: Bythai

Model Number: BM205

Place of Origin: China

Certification: SGS

Price: 4.5-8.5

Packaging Details: In bundles

Delivery Time: 10-15

Payment Terms: TT/TC

Material: Q235

Shipping origin: China

Size: Customized

Load Capacity: High
