Basic Information

- Place of Origin: Tianjin China
- Brand Name: Bythai
- Certification: SGS ISO
- Model Number: BT203
- Minimum Order Quantity: 1000
- Price: 10.8-85.5
- Packaging Details: In bundles
- Delivery Time: 10-15
- Payment Terms: TT/TC

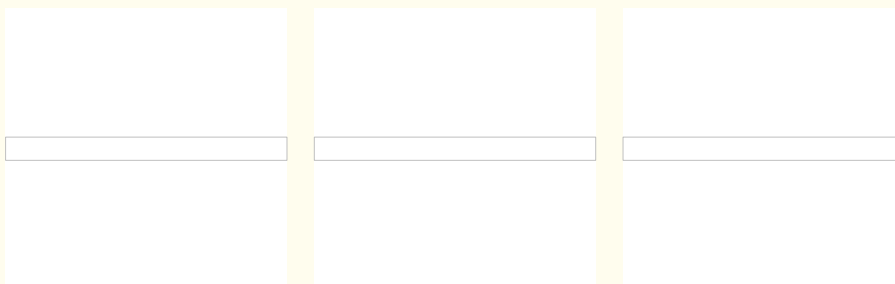

Product Specification

- Application: Construction/Building/Industrial/Commercial
- Warranty: 2 Years
- Material: Q235 Steel
- Product Name: Ringlock System
- Shipping Origin: China
- Surface Treatment: Hot Dip Galvanized
- Design Style: Industrial
- Usage: Construction
- Ledger Size: 48.3x3.25mm
- Horizontal Adjustment: $\leq \pm 3^\circ$
- Ring Thickness: 8mm
- Vertical Load Capacity: $\geq 45\text{KN}$
- Rosette: Q235 Steel
- Ledger Spacing: 0.5m
- Self-Weight: $\leq 20\text{kg}$

Product Description

Product Description

This Ringlock Standard is made from high-quality Q355 steel, featuring a hot-dipped galvanized finish for superior corrosion resistance. Designed for long-lasting durability, it provides a stable and reliable foundation for scaffolding structures. The 48mm diameter and robust construction ensure exceptional load-bearing capacity, making it ideal for commercial use. This standard is compatible with other Ringlock system components, offering a versatile and efficient solution for complex scaffolding setups. Whether for construction, maintenance, or repair projects, this Ringlock Standard ensures safety, stability, and ease of installation, making it a practical choice for professional use.

Specification:

Ringlock Vertical Standard

| Specification | Thickness(mm) | Length(mm) | Surface | Weight(kgs) |
|---------------|---------------|------------|---------|-------------|
| M48 | 3.2 | 500 | HDG | 2.56 |
| M48 | 3.2 | 1000 | HDG | 4.99 |
| M48 | 3.2 | 1500 | HDG | 7.45 |
| M48 | 3.2 | 2000 | HDG | 9.95 |
| M48 | 3.2 | 2500 | HDG | 12.43 |
| M48 | 3.2 | 3000 | HDG | 14.87 |

FAQ:

Q: What types of scaffolding systems do you offer?

A: We offer a variety of scaffolding systems, including ring lock, frame, prop, tube & coupler systems, steel and aluminum planks, and various scaffolding accessories.

Q: How does your quality control process ensure the safety and reliability of your scaffolding products?

A: Our strict quality control process includes thorough inspections, material testing, and adherence to international safety standards to ensure our scaffolding products are safe and reliable.

Q: Can you provide customized scaffolding solutions to meet specific project requirements?

A: Yes, we offer customized scaffolding solutions tailored to meet the unique needs of your project, ensuring optimal performance and safety.

Q: What is the typical lead time for orders, and how do you handle urgent requests?

A: Our standard lead time varies depending on the order size and complexity, but we prioritize urgent requests to ensure timely delivery without compromising quality.

Q: Do you offer support and guidance for scaffolding assembly and installation?

A: Yes, we provide comprehensive support, including detailed assembly instructions and technical assistance to ensure proper installation and safe use of our scaffolding systems.

Q: What are the key advantages of using your aluminum ringlock system?

A: Our aluminum ringlock system offers several advantages, including lightweight design, easy assembly, high load capacity, durability, and corrosion resistance, making it ideal for various construction projects.

Q: How do your prices compare to other scaffolding suppliers?

A: We offer competitive factory prices while maintaining high-quality standards, providing cost-effective solutions that deliver excellent value for your investment.

Q: What certifications and standards do your scaffolding products meet?

A: Our scaffolding products meet international certifications and standards, including OSHA, EN, and ISO, ensuring they comply with the highest safety and quality requirements.

Q: Can you provide references or case studies from past projects?

A: Yes, we can provide references and case studies showcasing our successful projects and satisfied customers to demonstrate our expertise and reliability.

Q: What is the process for placing an order and what payment options do you accept?

A: Placing an order is simple: contact our sales team with your requirements, receive a detailed quote, and finalize the order. We accept various payment options, including TT, letters of credit, and other secure methods.
